NIPNLG invites our current members to list your law practice/firm in a high-traffic online directory on our public website. A one-year listing is complimentary for current Sponsors (members at the \$400, \$600, or \$1,200 level), and may be reserved by general members for an additional contribution of \$120.00 for a 12-month period.

The screenshot shows the website interface for finding attorneys in California. At the top, the URL is [nipnlg.org/find/california.html](http://nipnlg.org/find/california.html). The header includes the NIPNLG logo, the tagline "Advancing the Rights of Immigrants", and social media icons for Facebook, Twitter, LinkedIn, and YouTube. A navigation menu contains links for About, Membership, Training, For Practitioners, For the Community, Find Attorney, News, and Donate. The main heading is "Find an Attorney in California". Below this, a note says "(please click on name below a listing of attorneys in the area)". The first listing is for Berkeley, featuring Nancy Hormachea, an attorney at law with contact information and practice areas including Asylum, Business Immigration, and Criminal and Deportation Defense. The second listing is for Glendale, featuring Christine M. Stouffer, also an attorney at law with similar contact information and practice areas. A "Search by State" dropdown menu is set to "Alabama". A small photo of a person at a protest with a "No War" sign is visible on the right side of the page.
